

Pedro Magno Müller

Software Developer

With a particular interest in programming and engineering, I consider myself an ensemble of places and cultures, interests and experiences, projects, and innovations. In the future, I hope I can join my engineering skills and my interest for programming to fulfill my professional aspirations.

WORK EXPERIENCE

Software Developer Pragmatic Industries GmbH

10/2021 - Present

Berlin, Germany

Start-Up

Achievements/Tasks

- Developing a CRM for small to middle-class mechanical engineering companies as a SaaS
- Developing standalone Web Applications for clients
- Worked mainly as a Fullstack Developer (Django Backend/Tailwind Frontend)

Working Student Siemens Energy

10/2020 - 06/2021

Munich, Germany

Achievements/Tasks

- Research on hydrogen technologies
- Developed an energy system model of Germany
- Master Thesis on "Evaluation of Hydrogen Transport Infrastructure Options within a Hydrogen-Based Energy System"

Working Student TUM : Technische Universität München

01/2020 - 08/2020

Munich, Germany

Achievements/Tasks

- Supported different projects at the Institute for Energy Economy and Application Technology
- Research Internship on "Optimization and Simulation of a Flexibility Market on a Blockchain"

EDUCATION

Master in Electrical Engineering and Information Technology

TUM : Technische Universität München

08/2018 - 05/2021

Munich, Germany

Courses

- Core Modules: Power Engineering and Renewable Energies

Bachelor in Electrical and Computer Engineering

FEUP : Faculdade Engenharia da Universidade do Porto

07/2015 - 07/2018

Porto, Portugal

SKILLS

C

Python

SQL

Javascript

Solidity

Git

Heroku

AWS (RDS/S3)

Django

Docker

PostgreSQL

SQLite

PERSONAL PROJECTS
